TRUCK SERVICE—We are able to offer truck service within a radius of 300 to 500 miles from Onarga, Ill. Charges average about the same as railroad rates with delivery at your door. If interested write for further information.

CAUTION—We will accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count, or other causes beyond our control.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness, on proper proof, to replace such nursery stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have been once accepted, or when report is not made within **TEN DAYS** after arrival of stock. We express or imply no warranty as to productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.

INSPECTION AND FUMIGATION—Certificate of inspection is furnished with each shipment and stock will be fumigated when required.

SELECTED ROSES

This Display Carton contains twelve XX extra heavy selected roses. Each rose is wrapped individually in waterproof paper and packed in peat ready to hand to your customer. The tops of these roses have been dipped in a cold paraffin solution to preserve the tops and assure your customer of receiving stock in first class condition.

We place a photograph on each Rose Display Carton showing the exact picture of the Rose while in bloom.

Wrapped Shrub

Root-Wrapped Perennials

We have specially designed this new Display Carton for merchandising perennials. Each Display Carton has an actual photograph of how each plant looks while in bloom. The roots of each plant are wrapped individually in paper and peat, assuring your customer of receiving stock in first class condition.

This Display Carton will hold only 24 individually wrapped perennials so please order in units of 24.

Rose Display Carton

Root-Wrapped Shrubs

We wrap the root of each plant separately, label to name and color, using either paper or burlap whichever you prefer, and a good damp packing material to protect the roots.

Plants packed in this manner are ready to hand to your customers without any trouble on your part. We furnish colored lithographic plates for each item on your order free of charge.

Perennial Display Carton

One Man Shrub Digger

This machine is the best labor saving machine on the market. It save the labor of two men and four to six horses. Only one man is required to sit on the seat and operate. Handles as easily as a riding cultivator. For heavy 3-4 foot shrubs use four-horse eveners; for light digging only one team is required.

For pruning Evergreen roots and light digging, remove lifter, adjust depth of blade by raising or lowering back wheel adjustment. In nursery rows where three or four varieties are growing in the same row to dig one of the varieties in the middle of the row, drive down the row to variety wanted, trip lock and digger will be in position as in illustration—dig variety wanted, raise blade to upright position where it locks, and drive on.

Very fine for June Bud peaches. To dig 2 year apples wrap doubletree with burlap.

This digger is just the thing for a nurseryman with a few acres and short rows and is also just what the larger grower has been looking for. Will pay for itself the first week. Not carried in stock. Order early to have digger on hand when you want it.

Diggers with 18 to 20 inch blades are of extra heavy construction to withstand the additional strain.

Prices complete, eveners and neckyoke not included:
